v.

M-QUBE, INC., *et al.*,

Defendants.

Case No. 8:13-cv-00172

The Honorable Magistrate Judge  
Thomas D. Thalken

**AMENDED AND RESTATED STIPULATION OF SETTLEMENT**

This Amended and Restated Stipulation of Settlement (“the Agreement”) is entered into by and among Plaintiff in this Action, for itself individually and on behalf of the Settlement Class on the one hand, and Post SMS. Co. Americas, Inc., formerly known as Mobile Messenger Americas, Inc., and Post SMS Co. Qube, Inc., formerly known as m-Qube, Inc. (“m-Qube”) (collectively, “Mobile Messenger”), on the other hand. Plaintiff and Mobile Messenger are referred to herein as the “Settling Parties.” Subject to Court approval of the Agreement, in accordance with applicable law, the Settling Parties hereby stipulate and agree that, in consideration of the mutual promises, covenants, and consideration set forth in the Agreement, and upon the occurrence of the Effective Date, the Settled Claims of the Settlement Class shall be settled and compromised upon the terms and conditions contained herein.

**1. RECITALS.**

1.1 Plaintiff filed an action captioned *Cullan and Cullan LLC v. Mobile Messenger Americas, Inc., et al.*, No. 8:13-cv-00172 (District of Nebraska) (the “Complaint”), alleging claims for damages and injunctive relief against Mobile Messenger and CF Enterprises Pty., Ltd.

(“CF Enterprises”) arising out of alleged unsolicited text messages sent from Premium Short Codes related to Mobile Content, such as ring-tones, news and information alerts, and other digital and electronic content to wireless telephone subscribers, and the sale and billing of allegedly unauthorized Mobile Content to wireless telephone subscribers.

1.2 Mobile Messenger has denied and continues to deny all liability for all Plaintiff's claims in the Action.

1.3 Class Counsel have conducted an examination and investigation of the facts and law relating to the matters set forth in the Action regarding the claims and potential defenses of Mobile Messenger and have received sufficient discovery to do so.

1.4 The Settling Parties have engaged in arms-length negotiations, including in-person mediation presided over by the Hon. Wayne Andersen (ret.) at JAMS, continuing negotiations designed to meet concerns of the Court and other developments, to wit, cessations in certain business practices of Mobile Messenger and other settlements between various governmental bodies and various carriers.

1.5 Based upon extensive analysis of the facts and the law applicable to Plaintiff's claims in the Action and the substantial discovery produced to date, and taking into account the burdens and expense of such litigation, including the risks and uncertainties associated with protracted trials and appeals, Class Counsel have concluded that the Agreement provides substantial benefits to the Settlement Class and is fair, reasonable, adequate, and in the best interests of the Settlement Class.

1.6 Mobile Messenger similarly concluded that the Agreement is desirable in order to avoid the time, risk, and expense of defending multiple and protracted litigations, and to resolve

finally, completely, and globally the pending and potential claims of Plaintiff and the Settlement Class.

1.7 The Settling Parties agree that all potential Settlement Class members shall have an individual right to exclude himself, herself, and itself from the Settlement Class.

1.8 The Settling Parties agree that all Settlement Class members who do not file a valid claim or a valid Request for Exclusion (defined below) shall continue to have the right to pursue any and all claims each may have independently and on an individual basis against Mobile Messenger and any other Released Party, it being understood that only their right to participate in a class action or mass action is released and waived except that if a claim is filed by or on behalf of a Class Member and paid under this Agreement, then his, her, and its release as to each Released Party hereunder shall be complete in accordance with the terms and conditions set forth herein.

NOW, THEREFORE, the Settling Parties stipulate and agree that any and all Settled Claims against all Released Parties shall be finally settled and resolved on the terms and conditions set forth in the Agreement, subject to Court approval of the Agreement, as a good faith, fair, reasonable, and adequate settlement.

3.2 For purposes of the Agreement only, Plaintiff and Mobile Messenger stipulate to the certification of the Settlement Class for settlement purposes only. If the Court does not approve the Agreement in any material respect or if the Effective Date does not occur then this

certification shall be void and the Agreement will not constitute, be construed as, or be admissible in evidence as any admission or be used for any purpose whatsoever in this Action or any other pending or future action. Whether or not the Court enters the Judgment, and whether or not there is a Judgment, the Settling Parties' agreement to class certification is for settlement purposes only, and any statements or submissions made by the Settling Parties in connection with seeking the Court's approval of the Agreement, shall not be deemed to be any stipulation as to the propriety of class certification, or any admission of fact or law regarding any request for class certification, in any other action or proceeding, whether or not involving the same or similar claims.

3.3 The Agreement is without prejudice to the rights of Mobile Messenger to: (a) oppose class certification in this Action should the Agreement not be approved or implemented for any reason; (b) oppose certification in any other proposed or certified class actions; or (c) use the certification of the Settlement Class to oppose certification of any other proposed or existing class arising out of or in any manner related to the Settled Claims.

#### 4. **REQUIRED EVENTS AND COOPERATION BY THE PARTIES**

- (b) Appoint Ben Barnow of Barnow and Associates, P.C., and Ralph K. Phalen of Ralph K. Phalen Law, P.C., as Class Counsel;

- (c) Certify the Settlement Class under Federal Rule of Civil Procedure 23 for settlement purposes only, preliminarily approve this Agreement, and direct that Settlement Class Notice of the Agreement be provided in accordance with the Notice Plan;
- (d) Approve the form and contents of the Settlement Class Notice and the method of its dissemination to members of the Settlement Class;

- (f) Schedule the Fairness Hearing to review comments and objections, if any, regarding the Agreement, to consider its fairness, reasonableness and adequacy, and the application for an award of attorneys' fees and reimbursement of costs and expenses and to consider whether the Court shall issue a Judgment approving the Agreement, granting Class Counsel's application for fees, costs, and expenses, and dismissing the Action with prejudice.

4.2 Cooperation. The Settling Parties shall, in good faith, cooperate, assist, and undertake all reasonable actions and steps in order to accomplish these required events on the schedule set by the Court.

#### **5. SETTLEMENT BENEFITS**

5.1. Subject to the occurrence of the Effective Date, Mobile Messenger shall refund to any Settlement Class member who submits a valid Subscription Charge Claim, as provided for in the Agreement, the amounts due pursuant to the Approved Claim. The claims process shall not foreclose the availability of refunds (including chargebacks) given directly to Settlement Class members by Third-Party Content Providers or Wireless Carriers outside of the procedures set

forth in this Agreement, or in any settlement (or distribution of judgment amounts) between any Wireless Carrier or other person and a governmental entity. No release language or provision in the Agreement shall in any way interfere with a Settlement Class member's entitlement to such refunds, funds, and chargebacks, except as credits to amounts otherwise due hereunder and as stated herein.

5.2. Each Subscription Charge Claim is to be valued at \$30.00 per unauthorized charge. There shall be no overall cap on Subscription Charge Claims, except that payment for approved Subscription Charge Claims will exclude amounts over \$20.00 which a Claimant has already been refunded or reimbursed at the time such Claimant's Claim Form is submitted which Claimant knows to be for mobile phone charges for any of the billing descriptors, shortcodes, and program names set forth on Exhibit B. Each Subscription Charge Claim shall be entitled to payment of \$30.00 subject to the limitation set forth in this section 5.1. Multiple Subscription Charge Claims may be listed on a single Claim Form for each Claimant. Valid Subscription Charge Claims are for charges as to which the Claimant believes double opt-in consent was not provided by them or lawfully for them, unless Mobile Messenger proves with clear and convincing evidence that the alleged absent double opt-in consent was given by the Claimant or authorized and lawfully given on the Claimant's behalf. Double opt-in consent consists of a person authorized on Claimant's Wireless Carrier account ordering the enrollment for the subscription charge, followed by immediate direct confirmation that the wireless handset operating on that phone number was in fact in that person's physical possession at the time of the enrollment.

6. CLAIMS PROCESS

6.1     Claims Administrator's Duties.

- 6.1.1 The Claims Administrator shall, under the supervision of the Court, administer the relief provided by this Agreement by resolving Claim Forms in a rational, responsive, cost effective, and timely manner. All Claim Forms shall be validated by the Claims Administrator to establish that the Person submitting the Claim Form has an Approved Claim.
- 6.1.2 The Claims Administrator shall maintain detailed records of its activities under this Agreement. The Claims Administrator shall maintain all such records as required by applicable law in accordance with their business practices and such records will be made available to Class Counsel and Mobile Messenger's Counsel upon request. Not later than fourteen (14) days before the Fairness Hearing, the Claims Administrator shall prepare and deliver to Class Counsel, who shall file with the Court, and Mobile Messenger's Counsel, a report stating the total number of Persons who have submitted timely and valid Requests for Exclusion from the Settlement Class, and the names of such Persons. Such Persons will not be entitled to receive any relief under this Agreement and will not be bound by any release contained herein. The Claims Administrator shall also provide reports and other information to the Court as the Court may require. The Claims Administrator shall provide Class Counsel and Mobile Messenger's Counsel with information concerning notice, administration, and implementation of the Agreement.

6.1.3 The Claims Administrator shall cause the Settlement Website to be created according to the Claims Administrator's own instruction. The Claims Administrator will establish a toll-free telephone support line that will provide Settlement Class members with general information about the Action and which will contain responses to frequently asked questions about the Action and claim procedure.

6.2 Written and Electronic Claims Submission. Settlement Class members are entitled to Settlement Benefits through submission of a Claim Form and the Claims Administrator's determination that such Settlement Class member has an Approved Claim. The Claims Administrator shall not commence its determination of whether a Claim Form represents an Approved Claim until after the occurrence of the Effective Date. The claims process shall be conducted online through the Settlement Website administrated by the Claims Administrator. If a Claim Form is submitted electronically, it must be sent on-line prior to the Claims Deadline. Any Settlement Class member unable or unwilling to complete a Claim Form online may call a toll free number, provide their name and address, and receive a paper Claim Form. Paper Claim Forms must be mailed to the Claims Administrator and must be postmarked on or before the Claims Deadline. The Claims Administrator shall reject Claim Forms that are not timely in accordance with the above; provided, however, that nothing in this provision shall be construed to prevent the Claims Administrator, in its discretion to be reasonably applied, from permitting a Settlement Class member to remedy informational deficiencies in such Settlement Class member's Claim Form, if otherwise timely.

6.3 Processing and Validation of Claim Forms

- 6.3.1 Each Claim Form must be signed by the Settlement Class member and provide the following information: (a) the Settlement Class member's full name, current address, and telephone number, and any email address used in any communications with any Defendant if applicable; (b) the wireless number associated with the mobile device that incurred any charge for which the Settlement Class member requests a benefit; and (c) the information required below, as applicable.
- 6.3.2 Settlement Class members who submit a Claim Form for a Subscription Charge Claim must, in addition to the information set forth in Section 6.3.1, also provide to the best of their knowledge and recollection: (a) the date, description, and amount of each charge for which a refund benefit for a Subscription Charge Claim is requested; (b) a statement that each such charge was unauthorized; (c) the total amount of the refund benefit requested for the Subscription Charge Claim; and (d) confirmation that the Settlement Class member did not request or receive a refund from any source for the charges for which a Refund Benefit for a Subscription Charge Claim is requested. If, for any of the above, the Settlement Class member has no knowledge or recollection, the Settlement Class member shall write or type in "I do not know."
- 6.3.3 The Claims Administrator may reject a Claim Form or any portion of a claim contained therein if it is shown and verified that the Claimant was previously provided a refund or credit from any source (including, but not

limited to Mobile Messenger, a Wireless Carrier, an Aggregator, a Third-Party Content Provider, or through a different settlement) for the charge that is being requested for refund in the Claim Form.

6.4. Resolution Procedure for Challenged or Rejected Claims

6.4.1 Mobile Messenger may challenge any Subscription Charge Claim, and the Claim Form will disclose the right of Mobile Messenger to challenge any such claim it has reason to believe is invalid.

6.4.2 Mobile Messenger shall have thirty (30) days from the close of the Claim Period to dispute any Claim for a Settlement Benefit approved by the Claims Administrator. Any Settlement Class member whose Claim Form for a Settlement Benefit is denied, in whole or in part, by the Claims Administrator, shall also have thirty (30) days to dispute the denial of such claim. In either case, each applicable Party shall receive written notice of the denial/approval of the Claim Form and shall be provided an opportunity wherein the contesting party must provide a detailed written explanation as to why the Claims Administrator erred in its denial/approval of the Claim Form for a Settlement Benefit.

6.4.3 All appeals shall be submitted to one (1) independent person agreed upon by the Settling Parties and approved by the Court (the "Special Master"). All appeals will be based solely on the submissions, including any records provided by Mobile Messenger. In order to overrule the decision of the Claims Administrator to approve or deny a Claim Form for a Settlement Benefit, the Special Master shall need to rule in writing that the former

approval/denial was without adequate support and contrary to the record and describe in detail the basis for each such finding.

6.4.4 All decisions of the Special Master are final.

**7. SETTLEMENT PAYMENTS**

7.1. Provided that the Effective Date has occurred, the Claims Administrator shall pay all Approved Claims by check and mail them to the Claimant via first-class mail within thirty (30) days of the Claims Deadline, or the earliest date thereafter when a claim for a Settlement Benefit becomes an Approved Claim. In the event that the amount of Approved Claims makes it reasonably possible that the amount due per claim may need to be pro-rated, the time to pay said amounts is extended by 60 days after that amount (per claim amount) can be reasonably calculated, but in no event later than 9 months after the close of the Claims Deadline.

**8. NOTICE TO THE CLASS**

8.1 Upon Preliminary Approval of this Agreement (and as the Court may direct), the Settling Parties (or their designee) shall cause the Settlement Class Notice to be disseminated to potential Settlement Class members. The Settlement Class Notice shall advise Settlement Class members of their rights, including the right to opt out, comment on the Agreement, or object to the Agreement or its terms. Such notice shall comport with due process and be effectuated pursuant to the Notice Plan. Subject to Court approval, notice of the Settlement will be combined with notice of the settlement between Plaintiff and CF Enterprises, filed herewith. If the settlement between Plaintiff and CF Enterprises is not granted preliminary approval, then notice of the Settlement will be provided independent of notice of the settlement between Plaintiff and CF Enterprises. The Settling Parties (or their designee) shall also cause all notices to be disseminated that are required by the Class Action Fairness Act.

8.2 The Notice Plan shall include Direct Notice, Internet publication Notice, and targeted Internet Advertising, as set forth by the Notice Provider and agreed upon by the Parties.

8.3 Without limiting the foregoing, Direct Notice shall be via electronic mail to all Settlement Class members whose email information is in either Mobile Messenger's possession or Released Parties' possession, if it can be reasonably obtained. If any email results in a bounce-back or otherwise undeliverable message, the Settlement Class Notice shall be delivered by postcard if Mobile Messenger possesses a mailing address, sent at the specified rate for postcards established by the United States Postal Service, to the last known physical address of the addressee of such email.

8.4 The cost of the Settlement Class Notice, the Notice Plan and the dissemination of the Settlement Class Notice are Claims Administration Expenses and shall be paid by Mobile Messenger.

## **9. OPT-OUT PROCEDURES AND OBJECTIONS**

9.1 A member of the Settlement Class may opt out of the Settlement Class at any time during the Opt-Out Period, as will be outlined in the Settlement Class Notice. Opt-out requests must be post-marked at least twenty-one (21) days prior to the date set forth in the Notice for the Final Fairness Hearing. In order to exercise the right to opt out, the Settlement Class member must complete and timely return a Request For Exclusion and mail it to the designated mailing address to be established by the Claims Administrator. Except for those Settlement Class members who have opted out, all Settlement Class members will be bound by this Agreement and the Judgment to be entered following final approval of this Agreement. Any Settlement Class member who elects to opt out of the Settlement Class shall not (i) be bound by any orders or Judgment entered in this Action; (ii) be entitled to relief under this Agreement; (iii) gain any

rights by virtue of this Agreement; or (iv) be entitled to object to any aspect of this Agreement.

To be valid, a Request for Exclusion must be personally signed by the Person requesting exclusion. So called "mass" or "class" opt-outs shall not be allowed.

9.2 Each Settlement Class member desiring to object to the settlement shall submit a timely written notice of his or her objection. Such notice shall state: (i) the objector's full name, address, telephone number, and e-mail address; (ii) information identifying the objector as a Settlement Class member, including proof that the objector is a member of the Settlement Class (e.g., a wireless bill showing a charge for Mobile Content related to Mobile Messenger); (iii) a written statement of all grounds for the objection, accompanied by any legal support for the objection the objector believes applicable; (iv) the identity of all counsel representing the objector; (v) the identity of all counsel representing the objector who will appear at the Final Fairness Hearing; (vi) a list of all persons who will be called to testify at the Final Fairness Hearing in support of the objection; (vii) a statement confirming whether the objector intends to personally appear or testify at the Final Fairness Hearing; (viii) the objector's signature or the signature of the objector's duly authorized attorney or other duly authorized representative (along with documentation setting forth such representation); (ix) a list, by case name, court, and docket number, of all other cases in which the objector (directly or through counsel) has filed an objection to any proposed class action settlement within the last 3 years; (x) a list, by case name, court, and docket number, of all other cases in which the objector's counsel (on behalf of any person or entity) has filed an objection to any proposed class action settlement within the last 3 years; and (xi) a list, by case name, court, and docket number, of all other cases in which the objector has been a named plaintiff in any class action or served as a lead plaintiff or class representative. To be timely, written notice of an objection in the appropriate form must be filed

Rothman, Esq., Venable LLP, 575 7th Street, N.W., Washington, D.C. 20004.

9.3 Any Settlement Class member who fails to comply with Section 9.2 above shall waive and forfeit any and all rights he, she, or it may have to appear separately and object, and shall be bound by all the terms of this Amended and Restated Stipulation of Settlement and by all proceedings, order, and judgments, including, but not limited to, the release of Settled Claims, the Final Approval Order, and the Judgment in the Action. The exclusive means for any challenge to this Amended and Restated Stipulation of Settlement shall be through the objection provisions of Section 9.2. Without limiting the foregoing, any challenge to the Amended and Restated Stipulation of Settlement, Final Approval Order, or Judgment in the Action shall be pursuant to appeal under the Federal rules of Appellate Procedure and not through a collateral attack.

#### **10. TERMINATION OF AGREEMENT**

10.1 Plaintiff, on behalf of the Settlement Class, or Mobile Messenger, shall have the right to terminate this Settlement by providing written notice of their election to do so ("Termination Notice") to all other Parties hereto within thirty (30) days, whichever is later, of: (i) the Court's refusal to grant Preliminary Approval of this Agreement in any material respect; (ii) the Court's refusal to grant final approval of this Agreement in any material respect; (iii) the Court's refusal to enter the Judgment in this Action in any material respect; (iv) the date upon

which the Judgment is modified or reversed in any material respect by the Court of Appeals or the Supreme Court; or (v) the date upon which an alternative form Judgment is modified or reversed in any material respect by the Court of Appeals or the Supreme Court.

10.2 If more than three thousand (3000) Settlement Class members timely file valid Requests for Exclusion, Mobile Messenger in the exercise of its sole discretion shall have the right to terminate this Agreement. Mobile Messenger shall exercise such termination, if at all, no later than ten (10) business days after being advised by Class Counsel in writing of the number of valid Requests for Exclusion. In the event Mobile Messenger exercises its right of termination, Mobile Messenger shall promptly notify Class Counsel and cause the Claims Administrator to notify the Settlement Class by posting information on the Settlement Class Website and e-mailing information to those Settlement Class members who provided an e-mail address to the Claims Administrator.

#### **11. EXCLUSIVE REMEDY; DISMISSAL OF ACTION; JURISDICTION OF COURT**

11.1 This Agreement shall be the sole and exclusive remedy of Settlement Class members, except as otherwise stated herein, against any Released Party relating to any and all Settled Claims. No Released Party shall be subject to liability or expense of any kind to any Settlement Class member who has not timely filed a valid Request for Exclusion with respect to any Settled Claim. Upon the occurrence of the Effective Date, each and every Settlement Class member shall be permanently barred and enjoined from initiating, asserting and prosecuting any Settled Claim(s) against any Released Party in any court, tribunal, forum or proceeding, except as otherwise provided herein.

11.2 The Settling Parties agree that the Court shall retain exclusive and continuing jurisdiction over the Action, the Settling Parties, Settlement Class members, and the Claims

Administrator in order to interpret and enforce the terms, conditions, and obligations under this Agreement.

**12. RELEASES**

12.1 Upon the occurrence of the Effective Date, each Settlement Class member who has not timely filed a valid Request for Exclusion, shall be deemed to have and released any and all right to file or participate in a class action or mass action for the claims made or which could have been made in the Action against any Released Party.

12.2 Upon the occurrence of the Effective Date, for good and valuable consideration, Plaintiff, on behalf of himself and the Settlement Class and as the representative of the Settlement Class, shall expressly, and all Settlement Class members who have filed and been paid their Approved Claims as provided for hereunder shall be deemed to have, and by operation of the Judgment as provided in this Agreement shall have, fully, finally, and forever expressly waived and relinquished with respect to Settled Claims, to the fullest extent permitted by law, any and all provisions, rights, and benefits of section 1542 of the California Civil Code and any and all similar provisions, rights, and benefits conferred by any law of any state or territory of the United States or principle of common law that is similar, comparable, or equivalent to section 1542 of the California Civil Code, which provides: "A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor." In addition to the exclusion rights and no release from any Settlement Class member that opts out, Settlement Class members who do not file a claim hereunder, and do not opt out, shall retain their individual rights to sue for the complained-of conduct forming the basis of this litigation, but shall give up their right to commence or participate in a class action or a

mass action relating to this litigation.

**13. CLASS COUNSEL FEES, COSTS, AND EXPENSES AND PLAINTIFF'S INCENTIVE AWARD, AND COSTS**

13.1 The Fee Award. The Settling Parties did not discuss the payment of attorneys' fees, costs, expenses and incentive award to Plaintiff until after the substantive terms of the first settlement agreement presented in this litigation had been agreed upon, other than that Defendants would pay reasonable attorneys' fees, costs, expenses and an incentive award to Plaintiff, as may be agreed to by Defendants and Class Counsel and approved by the Court. Mobile Messenger and Class Counsel then negotiated and agreed as follows: In addition to the consideration provided to the Settlement Class members pursuant to this Agreement, Mobile Messenger has agreed to pay Class Counsel, subject to Court approval, an amount up to \$485,000 in attorneys' fees and reimbursement of costs and expenses (the "Maximum Fee Amount"). Mobile Messenger agrees that the Maximum Fee Amount is fair and reasonable and will not object to or otherwise challenge Class Counsel's application for reasonable attorneys' fees and for reimbursement of costs and other expenses if limited to the Maximum Fee Amount. Class Counsel has, in turn, agreed not to seek more than the Maximum Fee Amount from the Court. The amount so awarded by the Court shall be referred to as the "Fee Award."

13.2 Payment of the Fee Award. Mobile Messenger shall pay the Fee Award to Class Counsel by wire transfer within sixty (60) days of the Effective Date.

13.3 Plaintiff's Incentive Award. In addition to any award under the Agreement, and in recognition of Plaintiff's efforts on behalf of the Settlement Class, the Plaintiff shall, subject to Court approval, receive an incentive award of the sum of \$2,500 as appropriate compensation for the time and effort serving as the Class Representative in this Action. Mobile Messenger

shall pay such amount to the Class Representative, in care of Class Counsel, within thirty (30) days after the Effective Date.

**14. SETTLEMENT APPROVAL ORDER**

14.1 The Agreement is subject to and conditioned upon the issuance by the Court of the Judgment which grants final approval of this Agreement in accordance with applicable jurisprudence, and providing the relief specified below, which relief shall be subject to the terms and conditions of this Agreement, the occurrence of the Effective Date and the Settling Parties' performance of their continuing rights and obligations hereunder. Such Judgment shall:

- (a) Dismiss all causes of action against Mobile Messenger in the action with prejudice and without costs;
- (b) Decree that neither the Judgment nor the Agreement constitute an admission by Mobile Messenger of any liability or wrongdoing whatsoever;
- (c) Bar and enjoin all Settlement Class members from asserting against any Released Party any and all Settled Claims except, as provided for herein;
- (d) Release each Released Party from the Settled Claims which any Settlement Class, except as provided for herein;
- (e) Determine that the Agreement is entered into in good faith, is fair, reasonable, and adequate, in the best interest of the Settlement Class; and
- (f) Preserve the Court's continuing and exclusive jurisdiction over the Settling Parties to the Agreement, including Mobile Messenger and all Settlement Class members, to administer, supervise, construe and enforce the Agreement in accordance with its terms for the mutual benefit of the Parties, but without affecting the finality of the Judgment.

**15. REPRESENTATIONS AND WARRANTIES**

Each Settling Party represents and warrants (i) that it has all requisite corporate power and authority to execute, deliver and perform the Agreement and to consummate the transactions contemplated hereby; (ii) that the execution, delivery and performance of the Agreement and the consummation by it of the actions contemplated herein have been duly authorized by all necessary corporate action on the part of such Settlement Party (if applicable); and (iii) that the Agreement has been duly and validly executed and delivered by such Settling Party and constitutes its legal, valid and binding obligation.

**16. MISCELLANEOUS PROVISIONS**

16.1. Entire Agreement. The Agreement, including all exhibits hereto, shall constitute the entire Agreement among the Settling Parties with regard to the subject matter of the Agreement and shall supersede any previous agreements, representations, communications and understandings among the Parties with respect to the subject matter of the Agreement. The Agreement may not be changed, modified, or amended except in writing signed by all Parties, subject to Court approval. The Settling Parties contemplate that, subject to Court approval, the exhibits to the Agreement may be modified by subsequent Agreement of Mobile Messenger and Class Counsel prior to dissemination to the Settlement Class.

16.2 Governing Law. The Agreement shall be construed under and governed by the laws of the State of Nebraska, applied without regard to laws applicable to choice of law.

16.3 Execution by Counterparts. The Agreement may be executed by the Settling Parties in one or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument. Facsimile signatures or signatures sent by e-mail (PDF) shall be treated as original signatures and shall be binding.

16.4 Confirmatory Discovery. By no later than sixty (60) days after the Court preliminarily approves the Agreement, or such other date as the Settling Parties may agree, Class Counsel shall complete all discovery required to effectuate the Agreement, including but not limited to the accuracy of all Settlement Class identification information for Settlement Class Notice purposes, and to verify the representations made by any of Defendants leading up to the Agreement. Such discovery shall be completed, in Class Counsel's discretion reasonably applied, by witnesses, sworn statements, document requests, interrogatories, and depositions. Such discovery shall extend into Defendants' defenses. The Settling Parties shall cooperate in seeking any third-party discovery as may be necessary and appropriate, which additional discovery is to be completed prior to the Fairness Hearing.

16.5 Notices. All notices to the Parties or counsel required by the Agreement, in addition to Settlement Class members' opt-out and objection obligations and procedures under Sections 9.1 and 9.2 *supra*, shall be made in writing and communicated by U.S. mail and email to the following addresses:

16.6.1 The Agreement shall be binding upon and inure to the benefit of the heirs, successors, assigns, executors and legal representatives of all Parties to the Agreement.

16.6.2 Subject to Court approval, the Parties may agree to reasonable extensions of time to carry out any of the provisions of the Agreement.

Defendants.

Case No. 8:13-cv-00172

The Honorable Joseph F. Bataillon

Magistrate Judge Thomas D. Thalken

**PLAINTIFF'S MOTION FOR PRELIMINARY

Pursuant to Rule 23 of the Federal Rules of Civil Procedure, plaintiff Cullan and Cullan LLC (“Plaintiff”), individually and on behalf of the Settlement Class (as defined in the Settlement Agreement [and set forth below]), by and through undersigned counsel, respectfully moves this Honorable Court for preliminary approval of a proposed class action settlement agreement (the “Settlement”) between Plaintiff and defendants Post SMS. Co. Americas, Inc., formerly known as Mobile Messenger Americas, Inc., and Post SMS Co. Qube, Inc., formerly known as m-Qube, Inc. (collectively, “Mobile Messenger”), and certification of the Settlement Class for settlement purposes only. In support of its motion, Plaintiff submits as follows:

1. On June 6, 2013, Plaintiff filed its Class Action Complaint alleging claims against Mobile Messenger and CF Enterprises, arising out of alleged unsolicited text messages sent from Premium Shortcodes related to Mobile Content, such as ring-tones, news and information alerts, and other digital and electronic content to wireless telephone subscribers, and the sale and billing of allegedly unauthorized Mobile Content to wireless telephone subscribers. [D.E. #1].

2. After years of litigation and months of hard-fought arm's length negotiations, Plaintiff and CF Enterprises entered into the Settlement Agreement, a copy of which is attached as Exhibit 1 to Plaintiff's Memorandum in support of this motion, filed contemporaneously herewith.<sup>1</sup>

3. Pursuant to Fed. R. Civ. P. 23, Plaintiff now seeks preliminary approval of the Settlement. Plaintiff asks that the Court preliminarily approve the Settlement and certify the Settlement Class for Settlement purposes only. Plaintiff also requests that the Court direct that notice of the Settlement be provided as stated in the Notice Plan; appoint Plaintiff as Class Representative; appoint Dahl Administration, LLC, as Claims Administrator and Notice Specialist; appoint Ben Barnow and Ralph K. Phalen as Co-Lead Settlement Class Counsel; approve the Claim Form attached as Exhibit A to the Settlement; and schedule a final fairness hearing to consider entry of a final order approving the Settlement and the request for attorneys' fees, costs, and expenses and Representative Plaintiff incentive award. A copy of a Proposed Order granting preliminary approval of the Settlement is attached hereto as Exhibit A.

4. In further support of this motion, Plaintiff submits its Memorandum in Support of Plaintiff's Motion for Preliminary Approval of Class Action Settlement and the exhibits attached thereto.

WHEREFORE, Plaintiff, individually and on behalf of the Settlement Class, by and through counsel, respectfully moves for entry of an Order:

- A. granting preliminary approval of the Settlement;
- B. approving Notice to the Settlement Class and methods for dissemination of Notice as set forth in the Settlement and Notice Plan;
- C. certifying the Settlement Class for settlement purposes only;

---

<sup>1</sup> The definitions contained in the Settlement are incorporated herein by reference.

- D. appointing Cullan and Cullan LLC as Class Representative;
- E. appointing Dahl Administration, LLC, as Notice Specialist and Claims Administrator;
- F. appointing Ben Barnow and Ralph K. Phalen as Co-Lead Settlement Class Counsel;
- G. approving the Claim Form as attached as Exhibit A to the Settlement;
- H. scheduling a Final Fairness Hearing to consider entry of a final order approving the Settlement and the request for attorneys' fees, costs, and expenses and Representative Plaintiff incentive award; and
- I. granting any other or additional relief as the Court may deem just and appropriate.

Dated: December 21, 2015

Qube, Inc., formerly known as m-Qube, Inc. (collectively, “Mobile Messenger”), on the other hand.

You are a member of the CF Enterprises Settlement Class if you are a current or former Wireless Subscriber Nationwide, who at any time from January 31, 2011, to [the Notice Date], received a text message from any Message Claim Shortcode or relating to a Message Claim Program. “Message Claim Shortcode” means the following shortcodes: 25872, 29104, 33288, 44329, 49712, and 70451. “Message Claim Program” means the following programs: [searchyourhoroscope.com](http://searchyourhoroscope.com); [tuneztogo.com](http://tuneztogo.com); [hearmemobile.com](http://hearmemobile.com); [myringtonespot.com](http://myringtonespot.com); [cellsafari.com](http://cellsafari.com); [tonezgalore.com](http://tonezgalore.com); [urzodiachoroscopes.com](http://urzodiachoroscopes.com); and [fonezoneportal.com](http://fonezoneportal.com).

---

## **WHAT THIS NOTICE CONTAINS**

---

This Notice is to advise you of the status of the lawsuit, the terms of the proposed Settlements, and your rights in connection with the proposed Settlements. This is not a lawsuit against you. A full copy of each of the Settlements can be reviewed at the Settlement website: [www.XXXXXXXXXXX.com](http://www.XXXXXXXXXXX.com). This Notice contains only a summary of the Settlements. The Settlements have been preliminarily approved by the Court.

---

### **1. What Is the Lawsuit About?**

---

In this Action, Plaintiff alleges claims for damages and injunctive relief against Defendants arising from alleged unsolicited text messages sent from Premium Shortcodes related to Mobile Content, such as ringtones, news and information alerts, and other digital and electronic content to wireless telephone subscribers, and the sale and billing of allegedly unauthorized Mobile Content to wireless telephone subscribers.

---

### **2. Why Are There Settlements?**

---

The parties recognize that there is substantial risk for all involved and have agreed that rather than continue litigation for months and possibly years, a resolution at this point is in the best interests of all. Plaintiff believes it will prevail and Defendants believe they will prevail. Because there are substantial issues that can affect the end result of the case, the parties have decided to settle the case to avoid the risk of future litigation and to provide benefits to the Class.

---

### **3. Are the Settlements Admissions of Liability?**

---

No. The Settlements provide that they shall not be deemed or construed as an admission or evidence of the validity of any claim or any fact alleged by Plaintiff in this Action or in any other pending or future action, or of any wrongdoing, fault, violation of law, or liability of any kind on the part of Defendants or admission by Defendants of any claim or allegation made in this Action or in any other pending or future action. Defendants decided, despite their belief that they are not liable for the claims asserted, to enter into the respective Settlements to avoid the further expense, inconvenience, and burden of this litigation and to avoid the distraction and diversion of Defendants' personnel and resources. The Settlements further provide that Plaintiff and Defendants concluded that it would be in their respective best interests to enter into the Settlements in order to avoid the uncertainties of litigation and potential lengthy appeals.

---

### **4. Who Is Included in the Settlements?**

---

You are included in one or both of the Settlements if you fit within one or both of the definitions of the Settlement Classes.

The Settlement Class for the CF Enterprises Settlement is defined as:

If you are an eligible member of one or both of the Settlement Classes and you do not exclude yourself from the respective Settlement(s), you may complete and submit a Subscription Charge Claim and/or a Message Claim, as applicable to you. Claims can be made by one of the two following ways:

2. Alternatively, you can call [toll free number], provide your name and address, and receive a paper Claim Form. Paper Claim Forms may be mailed to the Claims Administrator and must be postmarked on or before [sixty (60) days after the date set for the Hearing].

Claims for distribution submitted after [sixty (60) days after the date set for the Hearing] will not be paid. If the Settlements are approved by the Court after the Hearing, if you have timely submitted a valid Claim by the deadline of [sixty (60) days after the date set for the Hearing], and if the Claims Administrator has confirmed your eligibility and validity of your claim, you will be sent a check for the value of your valid Claim, as set forth herein.

---

## **15. How Will I Receive Payments?**

---

The Claims Administrator will verify the eligibility of each Class Member who submitted a valid Claim and will determine the amount of the check to be issued, if any, to which the Class Member is entitled. Provided that the Effective Date has occurred, the Claims Administrator shall pay all Approved Claims by check and mail them to the Claimant via first-class mail within thirty (30) days of the Claims Deadline, or the earliest date thereafter when a claim for a settlement payment becomes an Approved Claim. In the event that it is reasonably possible that the amount per claim may need to be pro-rated, the time will be extended by 60 days after the amount per claim can be reasonably calculated, but in no event later than 9 months after the close of the Claims Deadline.

### **Disputes**

Mobile Messenger shall have thirty (30) days to dispute any Claim Form for a Settlement Benefit approved by the Claims Administrator. Any Settlement Class member whose Claim Form for a Settlement Benefit is denied, in whole or in part, by the Claims Administrator, shall also have thirty (30) days to dispute the denial of the claim. In either case, each party shall receive written notice that the denial/approval of the Claim Form shall be provided an "Appeal Form" wherein the appealing party must provide a detailed written explanation as to why the Claims Administrator erred in its denial/approval of the Claim Form for a Settlement Benefit.

All appeals shall be submitted to one independent person agreed upon by the Settling Parties and approved by the Court (the "Special Master"). All appeals will be based solely on the submissions, including any records provided by Defendants. In order to overrule the decision of the Claims Administrator to approve/deny a Claim Form for a Settlement Benefit, the Special Master will explain in writing the basis for the finding. All decisions regarding the denial/approval of any Claim Form submitted and ruled upon by the Special Master are final.
